SECRETARIAT TO GOVERNMENT
11 FEB 1954
HEALTH, EDN. & LOCAL ADMN. DEPT.

14349

Humble representation of
Sanjiv Rao R. K., President
Khambadkone Panchayat,
Khambadkone, Coondapoor Tq., S.K.

On behalf of the residents of Khambadkone, Kergal, Nandanavan, Uppunda Bijoor, Heranjal, Kalthod, Ullur, Herur, Kirimanjeshwar and Navunda.

S i r ,

As it is reliably learnt that in view of the fact that a Government Hospital has been opened in Hebri in Karkal Taluk of South Kanara, under the Community Project Scheme, the existing Rural Dispensary is being shifted to some other convenient centre. I wish to bring to your kind notice the following facts for due consideration and favourable disposal.

1. That Khambadkone is a village in the Mangalore - Byndoor Coastal Road area, 12 miles from Ganguli, and 5 miles from Byndoor.

2. That Khambadkone is a convenient centre for a network of 11 villages, 5 of which are interior villages.

3. That ~~a~~ there are foot paths and cart tracks leading to and from the said interior villages ~~and the~~ to Khambadkone and Golihole II Class D.B. Road passing through Heranjal ~~and~~ Kalthod. and Khambadkone

4. That the residents of the interior villages depend upon the Khambadkone market ~~in~~ for their daily requirements and the weekly market in the locality is always full with interior villagers.

5. That other coastal villages are also intimately connected with Khambadkone as it is fairly developed owing to

a Higher Elementary School and other business activities such as Co-operative Society, Jaggery Society, Fishing Industry, Irrigation Committee Headquarters, etc.

6. That the population of the above villages is about 25,000 most of it being fishermen, tappers and other backward communities, evidently poor.

7. That for a ~~space~~ length of 17 miles there is no medical aid provided so far. There is one Rural Dispensary at Ganguli and L.F.Dispensary at Byndoor, ~~which~~ the latter being also cut off by a ferry. and this causes a lot of inconvenience to the public to get prompt medical aid from either of the two Dispensaries.

8. That since the Medical Officers in charge of the said Dispensaries have heavy work in and around the towns where they are situated, genrally fail to respond to calls from the aforesaid villages which are far off.

9. That the residents of the aforesaid villages have been experiencing considerable hardship, for medical aid for ever so many years and their poor financial position has deprived the villagers of essential medical aid.

10. That the lot of interior villagers is still miserable for want of proper travelling facilities to the aforesaid Dispensaries.

11. That the public of the abovesaid villages agitated with the District Board more than once but the District Board denied any help-owing to lack of funds, etc.

12. That a Rural Dispensary is more than a necessity at Khambadkone which is found to be the most convenient centre for the said villages - by the Government in other spheres of activities.

13. That in view of the proposed shifting of the Hebri Rural Dispensary, the District Board can easily overcome the difficulty of finance and respond to the prayer of the aforesaid villagers.

14. That if the Government would be pleased to consider our case and direct the District Board South Kanara to shift the rural dispensary from Hebri to Khambadkone I would venture on behalf of the Public whom I represent, to assure that we will put up the requisite buildings at our cost and provide accommodation rent free till the building is erected.

I therefore pray, that your goodself be pleased to direct the District Board to shift the Hebri Dispensary to Khambadkone in Coondapoor Taluk, S.Kanara and thereby redress the grievances of the public of the aforesaid villages; for which act of kindness I shall ever pray.

Yours faithfully,

Khambadkone,
22-1-1954.

S i r ,

1434. Sub: Shifting of Rural Dispensary at Hebri in Karkal Taluk to Khambadkone in Coondapur Taluk of S.Kanara District.

1. nclosed herewith a memorial dated 22.1.54 presented on behalf of the residents of Khambadkone and other villages, by Sri K. Sanjiva Rao, President, Panchayat Board, requesting to shift the Rural Dispensary at Hebri of Karkal Taluk to Khambadkone in Coondapur Taluk.

2. The reasons set forth by the memorialist for locatin a dispensary at Khambadkone are reasonable true and genuine. The people of the area mentioned in the memorial have no medical facilities and have been experiencing untold hardships for want of a hospital, and their demand for the same deserves a favourable and sympathetic consideration.

3. So, I request you to direct the District Bd., S. Kanara to shift the Rural Dispensary at Hebri to Kham-

22/4/54.

Copy of letter Ref.C.No.A4-19241-53 dated 18-3-54 of the Special Officer, Dt.Board, South Kanara addressed to the Secretary to Government, Madras thro' the Director of Public Services and the Hon.Director of Indigenous Medicine, Madras.

Sir,

MEDICAL RELIEF - Transfer of provision of the closed Rural Dispensary at Hebri to Perdoor.

I am enclosing a copy of the District Board resolution No.126 dated 4-3-1954 in which it is proposed to open a Rural Dispensary of Indigenous Medicine at Perdoor by transferring the provision of the Rural Dispensary of Indigenous Medicine at Hebri which stands closed due to the opening of a Primary Health Centre in that village under the Community Project Scheme.

2. Perdoor is a fairly big village with a population of nearly 10,000. There are no Rural Dispensaries or Government Hospitals within a radius of ten miles to cater to medical needs of the poor people of the locality. There is an ancient temple which attracts a large number of pilgrims all through the year. The public of the place have promised to give a rent free building and supply the necessary equipment free of cost. I request that Government may be pleased to sanction the transfer of the provision of the Rural Dispensary Hebri to Perdoor.

Copy of letter C.No.A4-19241-53 dated 18-3-54 of the Special Officer, Dt.Board, South Kanara addressed to the Secretary to Government, Madras through the Director of Medical Services, Madras and the Hon.Director of Indigenous Medicine, Madras.

Sir,

Sub: MEDICAL RELIEF - opening of new dispensary at Kambadakone- Coondapur Taluk.
Ref: Petition of the residents of Khambadakone submitted to the Hon.Minister for Local Administration.

I am enclosing a copy of the District Board resolution No.126 dated 4-3-1954, in which it is proposed to open a new Rural Dispensary of Indigenous Medicine at Kambadakone, Coondapur Taluk in response to the representations made by the public of that place and surrounding villages.

Khambadakone is in the northern part of Coondapur taluk. The nearest dispensary is at Baindur which is at a distance of four miles with a river in between. The other rural dispensary is at Gangolly which is at a distance of 12 miles. Khambadakone is centrally situated and is connected by cart tracks and village roads with nearly 10 villages covering an area of nearly 30 sq.miles. The residents of these villages are experiencing considerable difficulty in getting medical aid and a Rural Dispensary at Khambadakone has been a long-felt need of the villagers. The public of the place inspite of their poverty have promised to put up a building for the dispensary.

I request that Government may be pleased to accord sanction to the proposal of the Board to open a rural dispensary in Khambadakone at an early date.

Sir,

Sub: MEDICAL RELIEF - South Kanara District -Opening of a Rural Dispensary at Kambadakone -Coondapur taluk - sanction - Sought.

Ref: 1. This office Rc.19241/53 dated 18--3--1954.
2. This office Rc.22954/54 dated 28--9--1954.
3. Government Memo.No.14340/HIV-54-6-Health,dt.3.11.1954.

With reference to the Government Memorandum cited above, I have to inform the Government that the question of opening a new Rural Dispensary at Kambadakone in Coondapur taluk was placed before the Board at its meetings held on 2.12.1954 and 12.1.1955. The Board at its meeting held on 12.1.1955, has resolved to open a Rural Dispensary of Indigenous Medicine at Kambadakone in Coondapur Taluk taking into consideration the facts enumerated in the letter of the Special Officer, District Board, South Kanara, dated 18.3.1954.

2. The Board was of the opinion that whereas the provision of the closed dispensary of Indigenous Medicine at Hebri should be transferred to Perdoor, Kambadakone also needs a dispensary.

3. I request that the Government may be pleased to accord sanction for the opening of a new Rural Dispensary of Indigenous

p.t.o

medicine at Kambadakone in Coondapur Taluk with Government Subsidy.

Order

Heard Advt

The Govt. have examined the question whether the provision of the subsidised rural dispensary of indigenous medicine at Hebri which stands cleared consequent on the opening of a primary centre at Kukke should be diverted for the opening of a rural dispensary of indigenous medicine at Khambadkone or Perdoor and they have decided that

2/

the provision should be divided for the opening of a rural dispensary of indigenous medicine at Perdoor. They accordingly sanction the division of the provision of the Subsidiary rural dispensary of indigenous medicine at Kelur for the opening of a Subsidiary rural dispensary of indigenous medicine at Perdoor.

2/ The I.D.O. South Kanara is informed that the proposal for the opening of a Subsidiary rural dispensary at Khambadkone will be considered in connection with the budget for 1955-56.

Sub:- Rural Medical Relief--Scuth Kanara Dt.--Rural Dispensary at Hebri,-Shifting to Perdoor Khabadkone.

There is a subsidised rural dispensary of indigenous medicine at Hebri in Karkal taluk of South Kanara Dt. which however stands closed due to the opening of a Primary Centre at the place under the Community Project Scheme. The President of the Khambadkone Panchayat in Coondapur taluk of the district and Sri Y. Manjayya Shetty, M.I.A. have represented that the rural dispensary at Hebri should be transferred to Khambadkone. The President has assured that the public will construct a building for the dispensary at Khambadkone and that till then they will provide rent free accommodation for the dispensary. The S.O., South Kanara Dt.Bd. who was consulted in the matter has however proposed that the rural dispensary at Hebri should be shifted to Perdoor in Udipi taluk where the people have promised to give a rent free building for the dispensary and supply the necessary equipment free of cost. The H.D.I.M. recommends the proposal. The S.O. further says that he has sent proposals through the H.D.I.M and the D.M.S. for the opening of a rural dispensary of indigenous medicine at Khambadkone. These proposals are pending with the D.M.S.

2. The subsidised rural dispensary of indigenous medicine at Hebri remains closed and a rural dispensary at Perdoor or Khambadkone can be opened by diverting the provision for this

(P.T.O.

dispensary. There seems to be no reason why a decision on this question should await the receipt of the S.O!s proposals for the opening of a rural dispensary at Khambadkone pending with the D.M.S. The claims of Perdoor to have a rural dispensary are set out in para 2 at p.29 c.f. The claims of Khambadkone are set out in pp.1-6 and 19 c.f. Khambadkone is not eligible to have a rural dispensary as there is said to be a dispensary at Baindur less than five miles away. Unless the five mile limit is relaxed a rural dispensary cannot be opened at Khambadkone. In the circumstances, it is for consideration whether in accordance with the recommendation of the S.C., South Kanara Dt.Bd. and the H.D.I.M., the provisions of the rural dispensary at Hebri may be diverted for opening a rural dispensary at Perdoor. If a rural dispensary must be opened at Khambadkone relaxing the five mile limit the S.O. may be informed accordingly and asked to forward detailed proposals in accordance with the orders in G.O.1558 Health, dated 8-6-54.

Finance may see before circulation.

NOTE FOR CIRCULATION

This file deals with the diversion of the provision of the subsidised rural dispensary of indigenous medicine at Hebri in Karkal taluk of South Kanara Dt. which stands closed due to the opening of a primary centre at the place under the C.P. Scheme. The President of the Khambadkone Panchayat in Coondapur taluk of the district and Sri Y. Manjayya Shetty, M.L.A. represented that the provision should be diverted for the opening of a rural dispensary of indigenous medicine at Khambadkone. The President assured that the public would construct a building for the dispensary at Khambadkone and that till then they would provide rent free accommodation for the dispensary. The Special Officer who South Kanara Dtd.

was consulted in the matter proposed that the provision might be diverted for the opening of a rural dispensary at Perdoor in Udipi taluk where the people had promised to give a rent free building for the dispensary and supply equipment free of cost. The H.D.I.M. recommended the proposal. The Special Officer also forwarded proposals for the opening of a new subsidised rural dispensary of indigenous medicine at Khambadkone. This Dept. included these latter proposals in the consolidated Part II proposals for 1955-56 and proposed with the concurrence of Finance that the provision of a rural dispensary at Hebri might be diverted for opening a rural dispensary at Perdoor. M.(H.) however minuted at p.3 antè and M.(L.A.) agreed, that the matter might lie over till the new Board considered the matter after the elections. The South Kanara Dt. Board has accordingly been consulted in the matter. The Board has reiterated the proposals of the Special Officer. The file may be circulated to the M.(H.) and the M.(L.A.) for orders whether the proposal of the Special Officer and the elected Dt. Board of South Kanara to divert the provision of the rural dispensary at Hebri for the opening of a rural dispensary at Perdoor will be approved. Orders in regard to the proposal to open a rural dispensary at Khambakdone which has already been included in the Part II proposals for 1955-56 will be issued separately.

15.2.55 — 16.2.
